2. Specific location for stone cutting and grinding

Cutting area of International Halls: **North side of Hall A4 and Hall A7**

It's forbidden to cut or grind stone samples inside of the halls in order to prevent Environmental pollution. Please go to the designated cutting area to cut or grind if needed.

3. Notice for Booth Setup

According to the regulations of Fire Safety Authorities, Fire-proofing and anti-fire materials should be used for decoration. Especially the fire-proofing panel walls and fire-proofing carpets are necessary. All the special decoration booths (raw space) can only have one floor without top cover. Please do consciously abide by the regulations.

4. Notice for Booth Dismantling

The Booth Dismantling Time starts from 16:00 on March 9, 2017. Moving out the cargos in advance is not allowed. Exhibitors should comply with the rule and arrange the time schedule accordingly. All cargos should be moved out overnight on March 9, 2017 to avoid any loss.

5. Badge Claim

All exhibitors should register at the Exhibitor Registration Counter with Booth Confirmation and Business Card during March 3-5, 2017 (8:30-17:00). No late registration will be accepted. The authorized booth decoration company should get the Booth Setup Passes at the Exhibitor Registration Counter with Booth Setup Authorization.

The quotas for free Exhibitor Badge are listed below. Exhibitors' name list should be submitted before Jan. 31, 2017. If you fail to do so, onsite badge application and amendment are also available, but with a higher temporary production fee at RMB50 each badge.
